

# SLICER BELTS

## Same Day Shipping & Competitive Pricing

### SOLUTION SPOTLIGHT:

MIR provides an exact drop-in for your OEM, meat and cheese slicing equipment, while reducing cost and improving performance.

### At MIR we've got you covered:

- MIR stocks the OEM equivalent belts for immediate delivery
- MIR produces molded/seamless belts
- Larger spiked profiles are available
- USDA/FDA compliant compounds and constructions
- Increased throughput, lowering the total cost of ownership
