

THERMOPLASTIC BELTING

Encapsulated Belt Construction

MIR #2015984 does not require edge sealing and is perfect for applications where sanitation & hygiene are a priority.

Benefits:

- Homogeneous TPU
- Easy to clean
- Kevlar® tension members stabilize belt properties under varying lengths, loads and temperatures

Contact your *MIR Continuous Improvement Specialist* for specific application questions and to receive a quotation.

Kevlar® is a registered trademark of Dupont™
