

Flex ONE

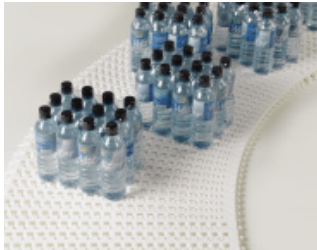

Versatile Pinless Belt for Curve Applications.

MIR offers a single link pinless belt for easy assembly and disassembly. This belt optimizes throughput and maintains high volume operations while reducing its operational footprint.

Benefits:

- Easy Assembly & Disassembly
- Optimal Tensile Strength
- Available with exchangeable edge components for increased wear resistance, hold-down, and lower friction (edge rollers)

Contact your MIR Continuous Improvement Specialist for specific application questions and to receive a quotation.
