

Products Overview

Movex[®]

movexii.com

Made in ITALY PERFORMING everywhere.

Movex® is a dynamic company driven by the ambition to design and manufacture conveying and material handling technology of the highest quality. We combine superior technical performance and design to provide customers with innovative solutions and impeccable service.

At our Italian headquarters, we design and manufacture standard and customized products and solutions to meet customers' needs in a dynamic and proactive environment.

Movex® follows every single customer from the project to installation, guaranteeing full support. With more than 30 technical sales representatives worldwide, we offer global support directly on-site, via video conference or by phone. Thanks to worldwide warehousing, we are able to provide short lead times and, in the event of the need for faster delivery times, our Priority Service, offering delivery in 1/2 working days, is always available.

Movex®, experience the difference.

MISSION

To forge our values through the development of ideas and high standards, and to professionally support our partners with flexibility and efficiency.

VISION

To achieving strong market leadership, while constantly remaining up to date. To plan our future while remaining faithful to our history and values.

Priority service

Even faster and responsive, when you need it.

Products in stock are available to ship within 24 Hours of the receipt of order.
